HAPPY THANKSGIVING

A message to our members, chapters and supporters

Dear HSREPS family,

On behalf of the High School Republican National Federation, I want to wish you and your families a happy Thanksgiving. Today is a day to slow down, gather around the table and give thanks for the blessings we too often take for granted: our families, our faith, our freedom and the country we are lucky to call home.

This year, I am especially thankful for you. Our members spent this fall knocking on doors, making calls, starting chapters and standing up for their beliefs in classrooms where that is not always easy. Our chapter leaders, volunteers, parents, teachers and supporters made that work possible. Every one of you is proof that young conservatives are ready to lead.

I am also grateful for what we have built together. We launched Conservateen to give students a platform to share their voices, and we are working every day to grow our chapters and build a stronger future for young Republicans across the country. None of it would be possible without the students who show up.

Thanksgiving reminds us that gratitude is at the heart of who we are as Americans. Our nation was built by people who gave thanks in hard times and good ones, and who believed the best days were still ahead. I believe that too, and I believe our generation will help prove it.

So enjoy the food, the football and the time with the people you love. Thank you for everything you do for HSREPS and for our country.

With gratitude, and Happy Thanksgiving,

Connor McFarland
NATIONAL CHAIR, HSREPS
